

CURRICULUM VITAE

Name: **ALLAN GIBOFSKY**

Date of Birth:

Citizenship:

Licensure: New York State

Board Certification:	American Board of Internal Medicine	1977
	American Board of Internal Medicine, Subspecialty of Rheumatology	1980
	American Board of Legal Medicine	1985

SSN:

EDUCATION

Brooklyn College of the City University of New York, Brooklyn, N.Y.	B.S.	1965-69
Cornell University Medical College, New York, N.Y.	M.D.	1969-73
Fordham University School of Law, New York, N.Y.	J.D.	1981-85

PROFESSIONAL POSITIONS

Intern, Department of Pathology, The New York Hospital- Cornell University Medical Center, New York, N.Y.	1973-74
Intern, Department of Medicine, The New York Hospital- Cornell University Medical Center, New York, N.Y.	1974-75
Assistant Resident, Department of Medicine, The New York Hospital-Cornell University Medical Center, New York, N.Y.	1975-77
Fellow, Division of Rheumatic Diseases, Hospital for Special Surgery, New York, N.Y.	1977-79
Clinical Fellow, Department of Medicine, Division of Rheumatic Diseases, The New York Hospital-Cornell University Medical Center, New York, N.Y.	1977-79

Professional Positions (cont'd)

Assistant Professor, Department of Medicine, Cornell University Medical College, New York, N.Y.	1979-85
Assistant Attending Physician, The New York Hospital-Cornell University Medical Center, New York, N.Y.	1979-85
Assistant Attending Physician, Hospital for Special Surgery, New York, N.Y.	1979-85
Assistant Director, The New York Hospital, New York, N.Y.	1981-84
Associate Director, The New York Hospital, New York, N.Y.	1984-86
Research Associate, The Rockefeller University, New York, N.Y.	1977-87
Assistant Physician, The Rockefeller University Hospital, New York, N.Y.	1977-87
Associate Professor, Department of Medicine, Cornell University Medical College, New York, N.Y.	1985-94
Associate Professor, Department of Public Health, Cornell University Medical College, New York, N.Y.	1990-94
Associate Attending Physician, The New York Hospital-Cornell University Medical Center, New York, N.Y.	1985-95
Associate Attending Physician, The Hospital for Special Surgery, New York, N.Y.	1985-95
Adjunct Associate Professor, Fordham University School of Law, New York, N.Y.	1987-95
Adjunct Associate Professor, Clinical Immunology & Microbiology, The Rockefeller University, New York, N.Y.	1987-
Associate Physician, The Rockefeller University Hospital, New York, N.Y.	1987-
Professor, Department of Medicine, Cornell University Medical College, New York, N.Y.	1994-
Professor, Department of Public Health, Cornell University Medical College, New York, N.Y.	1994-
Adjunct Professor, Fordham University School of Law, New York, N.Y.	1995-
Attending Physician, Hospital for Special Surgery, New York, N.Y.	1995-
Attending Physician, The New York Hospital-Cornell University Medical College, New York, N.Y.	1995-

PROFESSIONAL MEMBERSHIPS

Fellow, The American College of Physicians
Fellow, American College of Rheumatology
Fellow, The American College of Legal Medicine
Fellow, New York Academy of Medicine

The American Association for the Advancement of Science
The Heberden Medical History Society

The American Society for Histocompatibility and Immunogenetics
American Federation for Clinical Research
New York Academy of Sciences
Society for Experimental Biology and Medicine
New York Rheumatism Association
The American Association of Immunologists
International Society of Developmental and Comparative Immunology
Clinical Immunology Society
American Society for Health Care Risk Management
National Health Care Law Association
The Society of Medical Jurisprudence
The American Society for Law, Medicine and Ethics
American Bar Association
New York State Bar Association
New Jersey State Bar Association
District of Columbia Bar Association

HONORS AND AWARDS

Jonas Salk Scholar, The City University of New York	1969
Phi Epsilon Pi Fraternity Undergraduate of the Year	1969
Research Achievement Award, Cornell University Medical College	1972
American Medical Association Research Achievement Award	1972
William M. Polk Research Award, Cornell University Medical College	1973
Mosby Research Prize, Cornell University Medical College	1973
National Research Service Award, National Institutes of Health	1977-79
Clinical Investigator Award, National Institutes of Health	1979-92
American Medical Association Physicians Recognition Award	1981-01
Arthritis Foundation, NY Chapter, Research Award	1985-90

EXTRAMURAL ACTIVITIES

Secretary-Treasurer, Northeast Regional Council, American College of Rheumatology	1986-92
Chair, By-Laws Committee, The American Society for Histocompatibility and Immunogenetics	1986-93
Panelist, Data and Technology Assessment Program, American Medical Association	1986-98
Co-Chair, Health Law Section, Special Committee on AIDS and The Law, New York State Bar Association	1986-93
Vice-Chair, The New York Arthritis Foundation	1987-98
Member, Membership and Credentials Committee, American College of Rheumatology	1988-92
Chair, Bioethics and Legal Issues - Health and Public Policy Committee, American College of Physicians, NY State Chapter	1991-96
Member, The American Board of Legal Medicine	1991-
President, The Society of Salk Scholars, City University of New York	1992-
Member, Manpower and Training Committee, American College of Rheumatology	1992-94
Chair, Continuing Medical Education Review Committee The Arthritis Foundation	1992-94
President, Northeast Region, American College of Rheumatology	1993-94
Chair, Professional Education Committee, The Arthritis Foundation	1993-96
Member, Office of Professional Medical Conduct, New York State Department of Education	1993-
President, The American College of Legal Medicine	1994-95
Member, Board of Directors, The American College of Rheumatology	1994-96
Chair, The American Board of Legal Medicine	1996-
Secretary-Treasurer, The American College of Rheumatology	1996-99
Chair, Committee on Liaison with the Professions, Health Law Section, New York State Bar Association	1996-99
Vice-President, The American College of Rheumatology	1999-00
President-Elect, The American College of Rheumatology	2000-01
President, The American College of Rheumatology	2001-

BIBLIOGRAPHY

1. Popovych O, Gibofsky A, Berne DH: Medium effects for single ions in acetonitrile and ethanol-water solvents based on reference electrolyte assumptions. *Analytical Chem* 44: 811-817, 1972.
2. Gibofsky A, Terasaki PI: Trypsinization of lymphocyte for HL-A typing. *Transplantation* 13: 192-195, 1972.
3. Gibofsky A, Jaffe EA, Fotino M, Becker CG: The identification of HL- A antigens on fresh and cultured human endothelial cells. *J Immunol* 115: 730-733, 1975.
4. Gibofsky A, Winchester RJ, Hansen J, Patarroyo M, Dupont B, Paget SA, Lahita RG, Halper J, Fotino M, Yunis E, Kunkel HG: Contrasting patterns of newer histocompatibility determinants in systemic lupus erythematosus and rheumatoid arthritis. *Arthritis Rheum* 21: 134-139, 1978.
5. Gibofsky A, Winchester RJ, Patarroyo M, Fotino M, Kunkel HG: Disease associations of the Ia-like human alloantigens: contrasting patterns in rheumatoid arthritis and systemic lupus erythematosus. *J Exp Med* 148: 1728-1732, 1979.
6. Winchester RJ, Gibofsky A, Patarroyo M, Wang CI, Kunkel HG: The human Ia system: Differentiation allo-antigens relevant to disease. Streptococcal Disease and the Immune Response, edited by J Zabriskie, SE Read, Academic Press, 1978.
7. Patarroyo ME, Winchester RJ, Vejarano A, Gibofsky A, Zabriskie JB, Chalem F, Orozco O, Blanco E, Kunkel HG: Association of a particular B cell alloantigen with susceptibility to rheumatic fever. Streptococcal Disease and the Immune Response, edited by J Zabriskie, SE Read, Academic Press, 1978.
8. Winchester RJ, Wang CY, Gibofsky A, Kunkel HG, Lloyd KO, Old LJ: Expression of Ia-like antigens on cultured human malignant melanoma cell lines. *Proc Natl Acad Sci USA* 75: 6235-6239, 1978.
9. Suthanthiran M, Fotino M, Gibofsky A, Cheign JS, Stenzel KH, Rubin AL, Novogrodsky A: Adverse presensitization: detection by utilization of B lymphoblastoid cell panel. *Transplant Proc* 11(2): 1263-1264, 1979.
10. Winchester RJ, Patarroyo M, Gibofsky A, Kunkel HG: B-cell alloantisera as probes for the immunogenetics of three rheumatic diseases. Genetics and the Immune Response, edited by N Rose, Elsevier North Holland, 1978, pp. 113-124.
